Dear Providers:

The Maryland Medicaid Program has recently updated our reimbursement rates. All reimbursed claims that were processed before 3.2.12, with a date of service of 1.1.12-3.1.12 may have paid more than the allowed amount on the current Approved List of Items. Within the next few weeks, the Program will be reviewing these claims, and any erroneously overpaid claims will be automatically adjusted. These claims will be reprocessed and any overpayments will be recouped.

If you have already reimbursed the Program, please contact me at 410-767-1739, or via email at RatchfordD@dhhm.state.md.us, within two weeks of receipt of this letter to be excluded from this process. You may also use this contact information if you have any questions or concerns about this issue. Thank you for servicing our Medicaid community.

Sincerely,

Deneen Ratchford
Supervisor
